COMPTROLLER'S MEMORANDUM 1995-02

TO: ALL DEPARTMENT HEADS, DOE, UH, JUDICIARY
FROM: Eugene S. Imai, Comptroller
SUBJECT: Inscription on State Motor Vehicles
Chapter 105-6, HRS

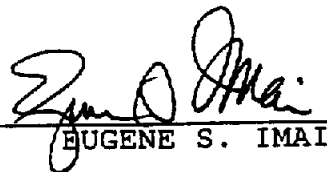

This is to remind all State agencies of the subject statutory requirement for identification with the State seal and inscription on both sides of all State motor vehicles. A copy of the statute is enclosed for information.

Requests for exemption from this requirement shall be submitted to the Comptroller and include the following information:

1. Name(s) of assigned vehicle driver(s)
2. Vehicle license number, make and model
3. Reasons for requiring an unmarked vehicle

Exemptions may be granted for functions such as investigative and law enforcement operations when a marked State vehicle could hamper official use of the vehicle. Requests for unmarked vehicles to avoid public scrutiny of State vehicles parked after hours at residences, restaurants, and other non-business locations may not be sufficient justification for approval.

Please call me if you have any concerns on this matter.

EUGENE S. IMAI
