COMPTROLLER'S MEMORANDUM NO. 2002-16

TO: Heads of Departments
ATTN: Personnel/Payroll Offices
SUBJECT: Assignment of Net Pay to Interstate Financial Institutions

Over the past several paydays, several employees have experienced delays in receiving credit in their checking or savings account from their out-of-state financial institutions. Further delays occur when the financial institution does not notify the State that the check which was issued to the financial institution was not received.

We are therefore requesting your assistance to inform all employees who have net pay assignments outside Hawaii or who are considering out-of-state assignments of possible delays in accessing their funds.

Thank you for your assistance in relaying this memorandum to all your staff.

A handwritten signature in black ink, appearing to read "Glenn M. Okimoto".
