COMPTROLLER'S MEMORANDUM 2007-14

TO: All Department Heads

SUBJECT: Increase in Contractor Parking Fees

Effective January 1, 2008, the monthly fee per stall for contractors in Department of Accounting and General Services controlled parking facilities will be increased from \$80 to \$120 per month.

The primary reason for the rate increase is to make more spaces available for public parking. As such, in addition to the contractor rate increase, the Automotive Management Division will be reducing the number of parking stalls it will make available for contractor parking.

Please contact Mr. Brian Saito, Automotive Management Division Administrator, at 586-0343 if you have questions.
