 - e. Review status of newly opened HART station, evaluate the effectiveness of the interface with stadium facility, and report findings to Stadium Authority.
- C. Box Office Branch
- 1. Past Year Accomplishment
 - a. Presently sharing in the use of the University of Hawaii’s computerized ticketing system. This has improved ticket selling services for the general public and tightens internal controls and efficiency of box office operations. Scanning of tickets has

strengthened security measures to detect counterfeit and duplicate tickets.

- b. Have automated various daily tasks.
 - c. Box office policies and procedures have been updated to reflect changes in procedures with the University of Hawaii's computerized ticketing system.
 - d. Continued use of University of Hawaii's outlets and on-line ticketing services has provided the general public with various options in purchasing tickets. The system has proven to eliminate long lines to purchase tickets by providing the "print-at-home" option. Scanning of tickets at most entry gates has also proven to move people into the stands at a quicker pace.
 - e. Continued printing of all parking passes internally for the ~~2013~~ 2014 UH football season with real-time barcode scanning capabilities. This has helped to improve and strengthen internal parking controls and has decreased the possibility of duplicate parking passes. This has also reduced the preparation and printing costs of parking passes for the stadium as well as the Licensee.
 - f. Maintains and troubleshoots staff computers at facility.
 - g. Prints parking passes for most stadium events to save on outside printing costs.
2. One Year
- a. Computerization and automation of various daily tasks to increase productivity and reduce costs.
 - 1) Continuing to review and analyze various daily tasks within the next six months.
 - 2) Will continue to recommend to stadium management how various daily tasks can be improved and/or enhanced.
 - b. Continue to update box office policies and procedures. Update policies and procedures within the next year to reflect changes in using UH's computerized ticketing system.
 - c. Scanning equipment was recently upgraded to allow tickets purchased via smartphones to be scanned at all turnstiles,

thereby eliminating the need for customers to stand in line at the box office. Another positive feature will enable customers to email additional tickets to latecomers who would be arriving later during an event via smartphone.

- d. Integration of Stadium's computerized parking pass system with the University of Hawaii's computer system allowing UH to print reserved parking passes on site to promote greater efficiency and expedite turnaround time for purchasers to receive their passes.

D. Security Branch

Projects are ongoing and continuous.

1. Past Year Accomplishment

- a. Trained with various agencies to address homeland security, emergency preparedness, and interoperability communications.
- b. Maintained contacts with various military, federal, state, county, and non-governmental agencies to include names and communication access to improve infrastructure security and disaster response.
- c. Evaluated and revised Emergency and Evacuation Procedures.
- d. Installation of additional security surveillance cameras and equipment.
- e. Continue computerization of various tasks and forms to increase productivity and reduce costs.
- f. Implemented automated fan text messaging system.
- g. Increased anti-terrorism and customer service training to vendors operating on stadium property.

2. One Year

- a. Continue to review, analyze, and improve access control points, operations and procedures, and infrastructure security during event and non-event hours. If funding available, implement installation of access control devices.

- b. Review placement of security cameras and if funding available, implement expanded camera network and recording system for other key entry and vantage point areas.

3. Two Years

- a. Given adequate budget funding, continue to develop surveillance camera system network and installation of access control devices for key entry and vantage points. Evaluate previous year outcomes and adjust goals and objectives as is necessary.
- b. Given adequate budget funding, renovation or construction improvement of the security office area. Evaluate previous year and adjust goals and objectives as is necessary.
- c. Seek grants to upgrade stadium security portable radios to 700 MHz system.

4. Five Years

- d. Planned and/or operated successful events this past year with the NFL, UH, Hawaii Bowl, ILH, OIA, HHSAA, and many other licensees.
- e. Revised Employee & Policy handbook.
- f. Trained events personnel on Emergency and Evacuation Procedures.

- g. Reviewed program functions that were manually accomplished, automated functions where possible and as budget permitted.
 - h. Where applicable, provided training for non-events staff in customer service and assistance.
 - i. Assisted Security Branch in installing additional security cameras.
 - j. Continue to implement new parking pass procedures for UH football.
 - k. Continue to install new and replacement scoreboard equipment.
 - l. Assisted UH with a student parking plan for UH football games.
 - m. Review facilities accommodations to the Skybox, Pressbox, and Dugouts to enhance guest experience for VIPs and sponsors and to assist in generating additional revenue.
2. One Year
- a. Continue review of existing and available equipment to improve the efficiency of Events Branch.
 - b. Continue to train events personnel in customer service and assistance. Where applicable, extend training to entire stadium staff.
 - c. Continue to plan and operate events at Aloha Stadium with licensees and enhance relationships with licensees.
 - d. Continue to revise and upgrade Employee & Policy handbook.
 - e. To ensure the safety of the public, participants and staff, continue to review, refine, and upgrade Emergency Response Plan and Evacuation Procedures.
 - f. Continue to review existing operational procedures for various types of events to enhance service to our licensees while reducing costs to our private sector partners (licensees).
 - g. Continue to foster inter-agency cooperation with Department of Transportation, Honolulu Police Department, etc. to enhance service and security for the public and licensees.

Number of complaints from spectators ranging from broken seats, water roof leaks, backed up plumbing and water puddles on the concourses are consistent with the condition of the aged stadium.

2. Program Standard Measure

Staff Standard Operating Procedures (SOP) is to address the issues either real-time and/or within a few days depending on the depth of repairs required. Labor Costs during event mode is a charge back to Licensee. Non-event mode labor costs are part of Legislature allocated Operational Repair and Maintenance fiscal budget.

3. Cost Effectiveness Measure

Annual costs will be co-monitored by Administrative Branch, Fiscal Section for any significant variance in expenditures of \$100 or more, and will be evaluated and corrective measures, where possible, are implemented.

4. Interface Standards (New/Refurbished Stadium and HART Station)

Ascertain how timely and effectively our interface has worked with the entities responsible for the above facilities, and review patrons' response to above facilities.

C. Box Office Branch

1. Customer Satisfaction Measure

No complaints were received from the public on upgrading of the ticketing system.

2. Program Standard Measure

Service provided is current with industry standards.

3. Cost Effectiveness Measure

Purchase of new computerized ticketing system is costly and no effective measure on benefits is available at this time. However, without this purchase, there would be an appreciable decrease in service to the public.

D. Security Branch

1. Customer Satisfaction Measure

Number of complaints received from the general public regarding security measures were considerably fewer than previous year as the public became more familiar with increased security measures taken as a result of 9-11. Program did not receive any complaints from other agencies regarding joint-task operations.

2. Program Standard Measure

Security services provided to the public are consistent with those for other large public-sector facilities. Input received from other agencies has not indicated any areas lacking in procedures or policies.

3. Cost Effectiveness Measure

There has not been any considerable increase in cost associated with security measures. Most of the costs if any have been passed onto the licensees as the cost of doing business in a large spectator venue. This is consistent with other large facilities across the nation.

E. Events Branch

1. Customer Satisfaction Measure

Positive feedback from customers has outweighed the negative feedback. Fewer complaints received via stadium's "Anonymous Guest Hotline" during stadium events.

2. Program Standard Measure

None available.

3. Cost Effectiveness Measure

Training and purchase of equipment has been costly, no effective measurement of benefit is available except for feedback from customers and their attendance to events.
