Lots 24 & 25  
Pahoa Village Lots  
Puna, Hawaii

Memorandum to:  
Mr. A. A. Dunn, Land Executive  
Territorial Land Office  
Honolulu

In re-writing the descriptions of Lots 4-20, inclusive and Lot 23, Pahoa Village Lots, it was found that adjustments were necessary with respect to Lots 24 and 25 of the same subdivision.

These lots are held by Albert F. Lee under Special Sales Agreement No. 1968 dated May 4, 1939.

It is requested that you amend these two descriptions as follows: The coordinates of the initial point of each lot should be amended to read 21.32 feet North instead of 21.3 feet North with respect to Lot 24 and 21.5 feet North with respect to Lot 25 -- and 71.90 feet West instead of 71.9 feet West with respect to Lots 24 and 25.

Attached to this memorandum are three blue-prints of the subdivision of this tract which should be substituted for any maps which you may have attached to your Special Sales Agreement.
