## STATEMENT OF INFORMATION FOR ELECTIONEERING COMMUNICATION (Revised 9/24/19)

For any person who will be broadcasting from a cable, satellite, television, or radio broadcast station; publishing in any periodical or newspaper or by electronic means which includes Facebook boosts, Google ads, or other social media; or mailing by bulk rate any advertisement that refers to a clearly identifiable candidate and contains an appeal to vote for or against a candidate in the upcoming election, and spends in an aggregate amount of more than \$2,000 during any calendar year, you must file a Statement of Information for Electioneering Communication ("Statement") within 24 hours of executing a contract to make this expenditure if the advertisement is made, or scheduled to be made, either within 30 days prior to a primary or initial special election (i.e., July 9, 2020 to August 8, 2020) or within 60 days prior to a general or special election (i.e., September 4, 2020 to November 3, 2020). See, Hawaii Revised Statutes §11-341.

Once you file a Statement, you must continue to file additional Statements for all subsequent expenditures by that person for electioneering communications even if the amount is under \$2,000 because this aggregate threshold was met with the initial Statement filing. Persons who fail to file the Statement or fail to timely file the Statement within 24 hours of executing a contract to make this expenditure, will be in violation of the campaign finance laws.
