EFS Team Hosted March 18 BYOB Lunch Session

On Tuesday, March 18, the EFS team hosted its March EFS Bring Your Own Bento (BYOB) Lunch Session at the Kalanimoku Building. During this session, attendees from across the executive branch enjoyed lunch while receiving updates on the Enterprise Financial System (EFS) Project from **Keith Regan**, Comptroller of DAGS, and **Greg Dalin**, HIMOD Program Manager.

Following recent updates, **Alan Visitacion**, Pre-Audit Branch Accounting System Manager of DAGS Accounting Division, shared valuable insights into current accounting processes and explained how the EFS Project will streamline business operations and modernize public services.

Attendees were also invited to ask questions and engage in discussions regarding the following topics:

- Integration with other modernization projects
- ERP strategy development and its role in the EFS Project
- EFS Request for Proposals (RFP) process
- Ongoing communication with departments

Additional EFS BYOB Lunch Sessions will be held monthly, providing all State of Hawaii personnel with the opportunity to receive key information and engage with the EFS Project team.
