SUBJECT: Change in Depository Status of State Archives

The State Archives will no longer serve as a depository for state and county publications due to Act 10, SLH 1996. You are no longer required to automatically send a copy of all your publications to the State Archives, as you have been pursuant to Section 93-3, Hawaii Revised Statutes. The Archives will only be acquiring those publications which complement its government records of enduring administrative, fiscal, legal, and historical value.

Please continue to send copies of your publications to the University of Hawaii Library and the State Publications Distribution Center.

The Archives will contact you regarding the publications it wishes to receive. If you have any questions, please call State Archivist Jolyn Tamura at 586-0310.
