VII. Items for Discussion, Consideration and Action
   A. 911 Timeline update.
      Please continue to refer any timeline updates to the Executive Director.
   B. Other items.
      Tony Ramirez:
      On February 16, 2018, Kari’s Law signed into law
      MLTS/PBX dial 911 calls go directly to PSAP
Hawaii tariff: currently, 1 ALI location for all lines; in the process of updating data tie individual location to each line.

z-value not required for 3 years.

Akimeka started with malls, hotels, schools, moving to residential condos, multi-unit complexes to determine dispatchable locations.

Thalia Burns: address points from building to street?

Tony Ramirez: geocoded to building. CAD doesn’t show Z-axis/elevation. Working on elevation/floor. Won’t work for Viper. Barometric readings via mobile phones.

Mark Wong: City & County of Honolulu CAD data; 3D. DHS funded photo realistic rendering of buildings downtown

Lance Farias (Hi OHS):
- With Darren Bullock, complex coordinator for terrorist attack plans
- Major exercise at end of grant fund to test State’s abilities in responding to terrorist attack
- Riding on coattails of January 13 false missile alert event
- Reached out to wireless providers to discuss capabilities to reach public in event of emergency along with news and radio
- Add C4I (Command, Control, Communications, Computers, and Intelligence) portion.

Thalia Burns: include PSAP staff?

Lance Farias: hoping to invite key PSAP staff to assist with planning

Thalia Burns: PSAPs already inundated with responsibilities. Adding responsibility of sending out alert would be burdensome

Lance Farias: responsibility should be with HiEMA; burden should not be put on PSAPs

John Jakubczak: conversations needed. Better to be proactive than reactive.

Mark Wong: City & County has an Android & iPhone app: hnl.info which includes Police, Fire, EMS, Mayor’s Office, etc.
HPD sent 1st notification that alert was false

Darren Bullock: focus on neighbor islands with planning
