In 1845, the Hawaiian Legislature enacted and Kamehameha III approved a series of acts that established the Executive Ministry. The Second Act, Part 1 created the Department of Interior and the Hawaiian Land Office. One of the mandated duties of the Hawaiian Land Office was to sell in fee simple Hawaiian government land at a price approved by the Privy Council and the reigning sovereign.

From 1845 to 1893 title was issued in the form of a Royal Patent Grant for government land sales. After 1893, Royal Patent Grants were known as Land Patent Grants. In the 1880's the Interior Department Land Office issued School Grants to the Board of Education for school and church lots on each island. Public Works Grants were issued on government lots and remnants in Honolulu, Oahu between 1906 and 1910.

Interior Department Hawaiian Land Office sold Government and Crown lands following the overthrow of the Constitutional Monarchy in 1893. Government and Crown Lands were sold by the Board of Commissioners of Public Land and the Commissioner of Public Lands, successor government agencies to the Interior Department Hawaiian Land Office. Sales of Government lands by the Land Division upon approval by the Board of the Land and Natural Resources continue into the 21st century.

Series 526 contains the Survey Notes to the Royal Patent Grants, Public Works Grants, School Grants and Land Patent Grants. Survey Notes are the plan and description of a government land parcel - surveyed, drawn and written by a government surveyor.
