YEAR IN REVIEW

Aloha,

Within these pages you will read about the State Foundation on Culture and the Arts’ (SFCA) mission and how through diligent work, our team was able to transition successfully to a virtual environment, allowing us to continue to support organizations by administering funding for National Endowment for the Arts CARES Act, Biennium grants, and develop new initiatives with State cultural institutions and individuals through grants, acquisitions and exhibitions.

You will see how our values shape our efforts. You will read about our new initiatives supporting cultural preservation, exhibitions and engagement at Iolani Palace, Bishop Museum, Washington Place and the King Kamehameha Celebration Commission. You will see how more than 60 individuals from across the state participated in decision making for grant awards and artwork selection. You will learn about the education programming and grants that enrich the lives of nearly 60,000 students statewide. And, you will discover how we celebrate the diverse cultures of Hawai‘i through our Folk and Traditional Arts work.

Behind all of the accomplishments you will find a story of passion, creativity and dedication to a thriving and vibrant Hawai‘i, enriched by culture and the arts. Mahalo to the devoted board, staff, artists, organizations, volunteer panelists and innovators who are driven to create. We would also like to acknowledge the legislature and administration for their unwavering support during these uncertain times.

Going forward, our focus will be on adapting and improving the outreach and services of the agency in the new environment. We look forward to continuing stewardship of the SFCA in an exciting and ever changing future.

Sincerely,

WHY ARTS EDUCATION MATTERS

The arts help kids to succeed in and after school. Students who receive arts education have stronger social skills, improved motivation to learn, and more esteem for themselves and their peers. The arts encourage the ability to engage with new ideas and consider multiple perspectives. Arts education helps to create a positive school environment in which learning and human development can occur.

(Resources: National Endowment for the Arts; Arts Education Partnership; National Assembly of State Arts Agencies/Arts Education Partnership.)

"The arts are education. They stretch you as a human being, lift up the human spirit, and help us become better people.”

— Masaru “Pundy” Yokouchi, Founding Chairperson, SFCA

ARTS EDUCATION FOR ALL LEARNERS

Arts education provides skills critical to 21st-century success: critical thinking, creative problem-solving, collaboration, communication, and information literacy.

In a global economy that is driven by knowledge and ideas, arts education is a necessity. The best paying jobs require workers with creativity, higher-order thinking and communication skills — companies are increasingly looking for these qualities in the individuals they recruit.

SFCA’s Arts Education programs engage participants in the three artistic processes of C.P.R.:

- Creating (making art)
- Performing/Presenting (sharing our art with others)
- Responding (thinking/reflecting about art)
**SFCA PROVIDES ARTS TO SCHOOLS**

Arts education helps close achievement gaps for disadvantaged students. Research confirms that students from low-income families, English language learners and students with special needs all do better in arts-infused schools than in schools that do not have robust arts programming as a meaningful part of the curriculum. (More: National Endowment for the Arts; President’s Committee on the Arts and the Humanities; Arts Education Partnership. The arts keep kids in school. Arts education programs can help to reduce dropout rates, increase student engagement and raise educational attainment levels. (References: Center for Arts Education; National Assembly of State Arts Agencies/Arts Education Partnership.)

The SFCA provides various arts education programs and opportunities to State of Hawai‘i Department of Education public and charter schools:

- Artists in the Schools artist residencies for grades K–12, statewide
- Art Bento Museum Education activities at HiSAM for grades 2–6, O‘ahu
- Student exhibitions at HiSAM for grades K–12, statewide
- Poetry Out Loud national poetry recitation competition for grades 9–12, statewide
- Biennium Grants to Organizations for Arts Education for grades pre-K–12, statewide

“*When students have access to learning experiences in the arts in the home, school, and community, they are better prepared for success in school, work, and life.*” — U.S. Conference of Mayors

**ARTISTIC TEACHING PARTNERS**

Students engaged in the arts perform better academically. Numerous linear research studies have documented that students who receive arts education exhibit improvements on standardized test scores and in their overall performance in other subjects, including reading and math. (References: National Assembly of State Arts Agencies/Arts Education Partnership; The College Board; Arts Education Partnership; President’s Committee on the Arts and the Humanities.)

The SFCA’s roster of Artistic Teaching Partners provides schools with highly qualified teaching artists. Artistic Teaching Partners stay current with best arts education practices through ongoing training and professional development.

In 2021, the roster was updated with several new teaching artists and an expansion of teaching categories (including Cultural Practices and Food Sustainability).

In addition, this year the SFCA offers nine of the eighteen new teaching artists on the roster to take part in an Emerging Teaching Artist Program. This program partners Veteran Teaching Artists with Emerging Teaching Artists, offering one-on-one support for curriculum development, lesson planning, and grant writing for their first year on the roster.

Recognizing the economic pressures on Hawaii’s cultural institutions due to COVID-19, the SFCA created a Cultural Preservation Initiative to support two State cultural institutions whose collections include irreplaceable cultural resources of Hawai‘i. Contracts were issued in support of Cultural Preservation at the State of Hawai‘i Museum of Natural and Cultural History (Bishop Museum) and the State of Hawai‘i Museum of Monarchy History (Iolani Palace).

State Cultural Resources

The Friends of Iolani Palace Cultural Preservation award funding supported conservation treatment on both King David Kalākaua and Queen Julia Na-pela-kapu-o-Kakaʻe Kapi‘olani’s thrones and provided crucial support in keeping the HVAC system operating which is critical to the preservation of interior objects at Iolani Palace.

Bishop Museum Cultural Preservation award supported utility costs associated with HVAC (Heating, Ventilation and Air Conditioning), to maintain optimal temperature and humidity essential to the care and preservation of 25 million objects and more than a century of research and collection.

175th Anniversary of Washington Place

Funding support was provided for the 175th Anniversary of Washington Place exhibition at Washington Place, celebrating historic sites.

King Kamehameha Celebration Commission

The SFCA contracted with KKCC (King Kamehameha Celebration Commission) in support of engagement around the King Kamehameha I sculptures in place in Kohala and Honolulu. KKCC engages the public annually through the King Kamehameha Day Celebrations. SFCA contracts annually for the conservation of these monuments.

“This practice, this art is not for Hawaiians only,” says Kumulāʻau. “This is for all of us. I just want to share that everyone who learns this art, whether you are Kanaka Hawai‘i or you are Kanaka — wherever you are from, our kupuna are smiling. Our ancestors are smiling and very proud and happy. That all of you guys have taken on the kuleana the responsibility the willingness to do this kind of work that we do. Whether it’s hala, or ‘ie ‘ie, or any type of work of our kupuna. They are very happy because what they did, that we practice and perpetuate today, is not going to die. It’s going to holomua (progress) because of all of you.”

“Live from the Empty Palace Theater’ platform allowed the artists to have a venue at the Palace and have their performances streamed online. The overwhelming feedback is that the community GREATLY appreciates the continuance of performances.”
— Friends of the Palace Theater

We celebrate and emphasize the cultural richness and diversity of Hawai‘i.

FOLK & TRADITIONAL ARTS CULTURE GRANTS

Culture grants provide access to deep and sustained learning about different living cultures in the State. Apprentice Mentoring Grants support intensive advanced training in a cultural art form or practice, taught by Hawaii’s most masterful cultural practitioners. One of the objectives is to train more practitioners in particular cultural art forms or lineages and to train the next generation of teachers to carry on the tradition. In FY2021, eight apprentice mentoring team projects were fully funded and implemented, representing three different living cultures and seven living traditional arts practices. See page 33 for a full list of living cultures projects.

BIENNIUM GRANTS

Biennium Grants provides funding for organizations who support programs and projects that advance the arts, culture, and creativity in the lives of the people of Hawai‘i. $480,100, was distributed throughout the State to 37 non-profit organizations offering culture and arts programs, many of which reach underserved and rural areas, including neighbor islands.

All eligible applications were reviewed by volunteer panelists who review and score applications based on three criteria: proposed activities, qualifications, and the need, benefit, impact, and good use of public funds. Panelists are selected per Hawai‘i Administrative Rules, Chapter 92. Panels are composed of arts professionals who represent a broad range of artistic and cultural viewpoints and are qualified by their activities, training, skills, and/or experience in one or more forms. Their expertise and leadership in Hawai‘i’s culture and arts community are a critical component of the Biennium Grants process.

In response to the ongoing COVID-19 pandemic, Biennium Grants FY2021 recipient Friends of the Palace Theater utilized the awarded funding to support essential staff salaries, allowing the Palace Theater to expand their virtual footprint and produce the online series "Live from the Empty Palace Theater.” The series showcases performances from Big Island musicians and artists.
COMMUNITY ENGAGEMENT

Maps are reflective of grant and project locations statewide for the SFCA.
The yellow dots indicate the locations of the grant or project.
ART IN PUBLIC PLACES

The objectives of the Art in Public Places (APP) Program are to enhance the environmental quality of public buildings and spaces throughout the State for the enjoyment and enrichment of the public; to cultivate the public’s awareness of visual arts in all media, styles, and techniques; to contribute to the development and recognition of a professional artistic community; and to acquire, interpret, preserve, and display works of art expressive of the Hawaiian islands, the multicultural heritages of its people, and the creative interests of its artists.

Student Art

The Foundation, in consultation with the Department of Education, the University of Hawai‘i, private schools, and community art groups, shall establish a program for the recognition and display of student artwork. Student artwork shall mean any work of art made by any student attending any elementary, intermediate, high school, college, or university in the State.

We view art and cultural engagement as critical to the educational, economic, and social well-being of individuals, communities, and the State of Hawai‘i.

Ke Kanu Nei I Ka Ulu Hala symbolizes the nurturer in the lives of our keiki, someone who commits to providing all that is necessary for a healthy future and supports continued growth for the community. She kneels to connect with the ‘āina and with the keiki that she meets to build pilina (a relationship).

The hala plant is significant to this area of Puna. The art of lauhala weaving illustrates the unity of the Kea‘au community and its diverse ethnicities of the broader district of Puna and of Moku o Keawe (Hawai‘i Island).

An Art Advisory Committee (AAC) is convened for each building or space selected for a permanent work of art. The AAC participates in every phase of discussion to ensure the work of art is relevant and accessible to the community where it is placed.

HAWAII' STATE ART MUSEUM

Hawaii State Art Museum (HiSAM) is a free public art museum within the Art in Public Places Program in downtown Honolulu featuring exhibitions curated from the State’s Art in Public Places Collection and student exhibitions. Located adjacent to the State Capitol, Iolani Palace, and the State Library, HiSAM is an educational teaching tool for students, teachers, visitors and the public. HiSAM has four galleries, a Sculpture Garden as well as a classroom, Multipurpose Room for activities and lectures, popular cafe, and a front lawn that can be used for museum or private events. It is an inspiring and educational place for residents, families, school children, teachers, artists, visitors, and the public.

HiSAM is a powerful resource for maximizing public art access; and promotes lifelong learning. The museum is free for everyone and open Monday–Saturday 10 am–4 pm.

HiSAM re-opened to the public with safety measures in place, including temperature checks and collecting visitors contact information for contact tracing, if needed. “Happenings at HiSAM” included socially distanced pop-up events. New exhibitions at HiSAM opened including “Mai ho‘ohuli i ka lima i luna,” an exhibition curated by and featuring contemporary Hawaiian artists, and “For Walls,” an exhibition reflecting on confinement during the pandemic.

The intention of the State Art Museum is to explore creative and dynamic ways to support artists and their diverse art forms. This is accomplished through public programming, museum education, “Happenings at HiSAM” and the engagement of students. We are continuously evolving in becoming even more inclusionary and accessible to the needs of our community, while offering a welcoming space for creatives to collaborate, share and encourage one another in the arts.

ART IN PUBLIC PLACES
PUBLIC ART COLLECTION

The State of Hawai‘i has a collection of nearly 7,000 works of art that are exhibited statewide in public schools, libraries, airports, hospitals and State office buildings. The works of art are for the most part considered relocatable and are displayed on a rotational basis in State buildings, HiSAM and used in traveling exhibitions. The APP Collection is managed to ensure accountability, accessibility, preservation and appropriate use with over 65% of the collection on display.

Works of art are purchased through a community process where an Acquisition Award Selection Committee (AASC) is convened to select works of art for purchase from public galleries, studios of master artists, gifts, and other approved sources. The AASC follows selection criteria to recommend artwork to the SFCA Board of Commissioners for approval to purchase.

Art At the Capitol

“Art at the Capitol” was held as an online event this year, with state legislators interviewed by SFCA Executive Director Jonathan Johnson in a series of forty-five short videos, with the legislators speaking on the importance of government support of the arts. The videos can be viewed on the Art at the Capitol Hawai‘i Facebook Page: facebook.com/ArtAtTheCapitolHawaii and YouTube channel: youtube.com/ user/ArtAtTheCapitolHI.

In the evenings, a projection of images and the words “culture,” “art,” “education” and “access” were projected on the Beretania and Punchbowl construction barricades around the Capitol water feature. A video of this projection is also on the SFCA website: sfca.hawaii.gov/Art-At-The-Capitol-2021.

Art in Public Places

The AASC continued to attend exhibitions and select works of art for the Art in Public Places Collection of public art virtually, purchasing 60 works of art from 10 venues this year. The SFCA also sponsored a call for art created during the pandemic. The goal of the call was to support artists financially and promote the valuable role artists play in this time of global crisis, particularly within the State of Hawai‘i, and to document artists’ response to the pandemic, economic and civil unrest. Artists play a unique role in telling the story of place and experience providing the viewer insight and hope. SFCA considered works that were relevant to this crisis and the expectation that artists were creating work based on their experiences during this time.

APP’s Museum Without Walls program remained in effect including installation and rotation of works of art from the APP Collection to State Buildings including the State Capitol. Development of and transition to is under way to a new public research database of the collection set to go live in FY22.

“Persevere” was created in response to the COVID-19 pandemic. It depicts a Japanese Daruma, which is a papier-mâché doll with a weighted bottom. It is a symbol of determination and perseverance since the weight at the bottom gives the doll the ability to return immediately upright after being pushed or knocked over. Kurokawa explains, “While my Daruma emerges from the shadows, it is protected by plastic and sealed with a gold twist tie, much like the protective masks and gear we need to wear today. Although shielded, we still have the ability to overcome and rise again. The second eye will be filled and we will persevere.”

ARTS FIRST PARTNERS

The Hawai‘i State Legislature enacted ACT 80 in 1999 which called for Hawai‘i’s major stakeholders in arts education to revise the State’s Fine Arts standards and develop a statewide Strategic Plan for Arts Education. In 2001, ACT 306/01 passed into law (SFCA’s HRS Chapter 9) formally naming the ARTS FIRST Partners and mandating the implementation of the Strategic Plan.

*1% construction amounts for Works of Art were not deducted/transferred per Governor’s Budget Execution Policies for Fiscal Year 2021. FY2021 reflects a significant decrease in 1% revenue for the Works of Art Special Fund due to an unintentional consequence of CIP Bill, Act 40, resulting in SFCA only receiving $16,000 of 1% revenue for FY21. Comptrollers Memorandum CM-2021-09: Assessment for Works of Art, HRS Section 103-8.5 was issued on June 28, 2021. APPENDIX A: ART IN PUBLIC PLACES PROGRAM

The State Foundation on Culture and the Arts was established by the Hawai’i State Legislature in 1965 as the official arts agency of the State of Hawai’i. The concept of setting aside one percent of construction appropriations to provide a funding base for the acquisition of works of art set a national standard in 1967 when Hawai’i became the first state in the nation to pass such legislation. The 1989 revision of the law created the Works of Art Special Fund, a non-lapping account into which all funds set aside for works of art are deposited and from which expenditures for purposes consistent with Section 103-8.5, Hawai’i Revised Statutes, are made.

The Works of Art Special Fund Shall be used solely for the following purposes: (1) Costs related to the acquisition of works of art, including any consultant or staff services required to carry out the art in public places and relocatable works of art programs; (2) Site modifications, display, and interpretive work necessary for the exhibition of works of art; (3) Upkeep services, including maintenance, repair, and restoration of works of art; (4) Storing and transporting works of art.

FY2021 ART IN PUBLIC PLACES COLLECTION PURCHASES & GIFTS

The APP Program acquires works of art, and commissions artists to create works of art for specific locations. These works of art are displayed in over 500 sites statewide including schools, libraries, hospitals, airports, state office buildings, the State Capitol and at the State Art Museum.

Acquisition Committees visited 14 exhibits and recommended 49 works of art for purchase in FY21. Committee visits by island: Hawai‘i Island 3, Kaua‘i 1, Maui 2, and O‘ahu 8. 60 artworks by 40 artists were acquired for a total of $229,670.08.

(Note: acquisitions are tallied by payment processing date and include works nominated towards the end of FY20.) A full list of artworks acquired can be viewed on the SFCA website: sfca.hawaii.gov/fy2021-art-in-public-places-collection-acquisitions.
