

**STATE OF HAWAII | KA MOKU'ĀINA O HAWAII'**  
**DEPARTMENT OF ACCOUNTING AND GENERAL SERVICES | KA 'OIHANA LOIHELU A LAWELAWE LAULĀ**

**AUTOMOTIVE MANAGEMENT DIVISION**

## **Workplace EV Charging**

### Lower Emissions, Lower Costs

- DAGS is helping the State reduce carbon emissions and save on energy costs long-term.

### Workplace Charging Made Easy

- Employees can charge EVs at work; no home charger needed.
- Convenient, accessible, and supportive of sustainable commuting.

### Benefits for Employees

- Easier transition to electric vehicles.
- Reduced dependence on fossil fuels.
- Supportive infrastructure right at work.

### Benefits for the State

- Contributes to environmental goals.
- Reduces fleet and energy costs.
- Promotes sustainable workplace practices.
